Don't run up and touch; it may be too much.

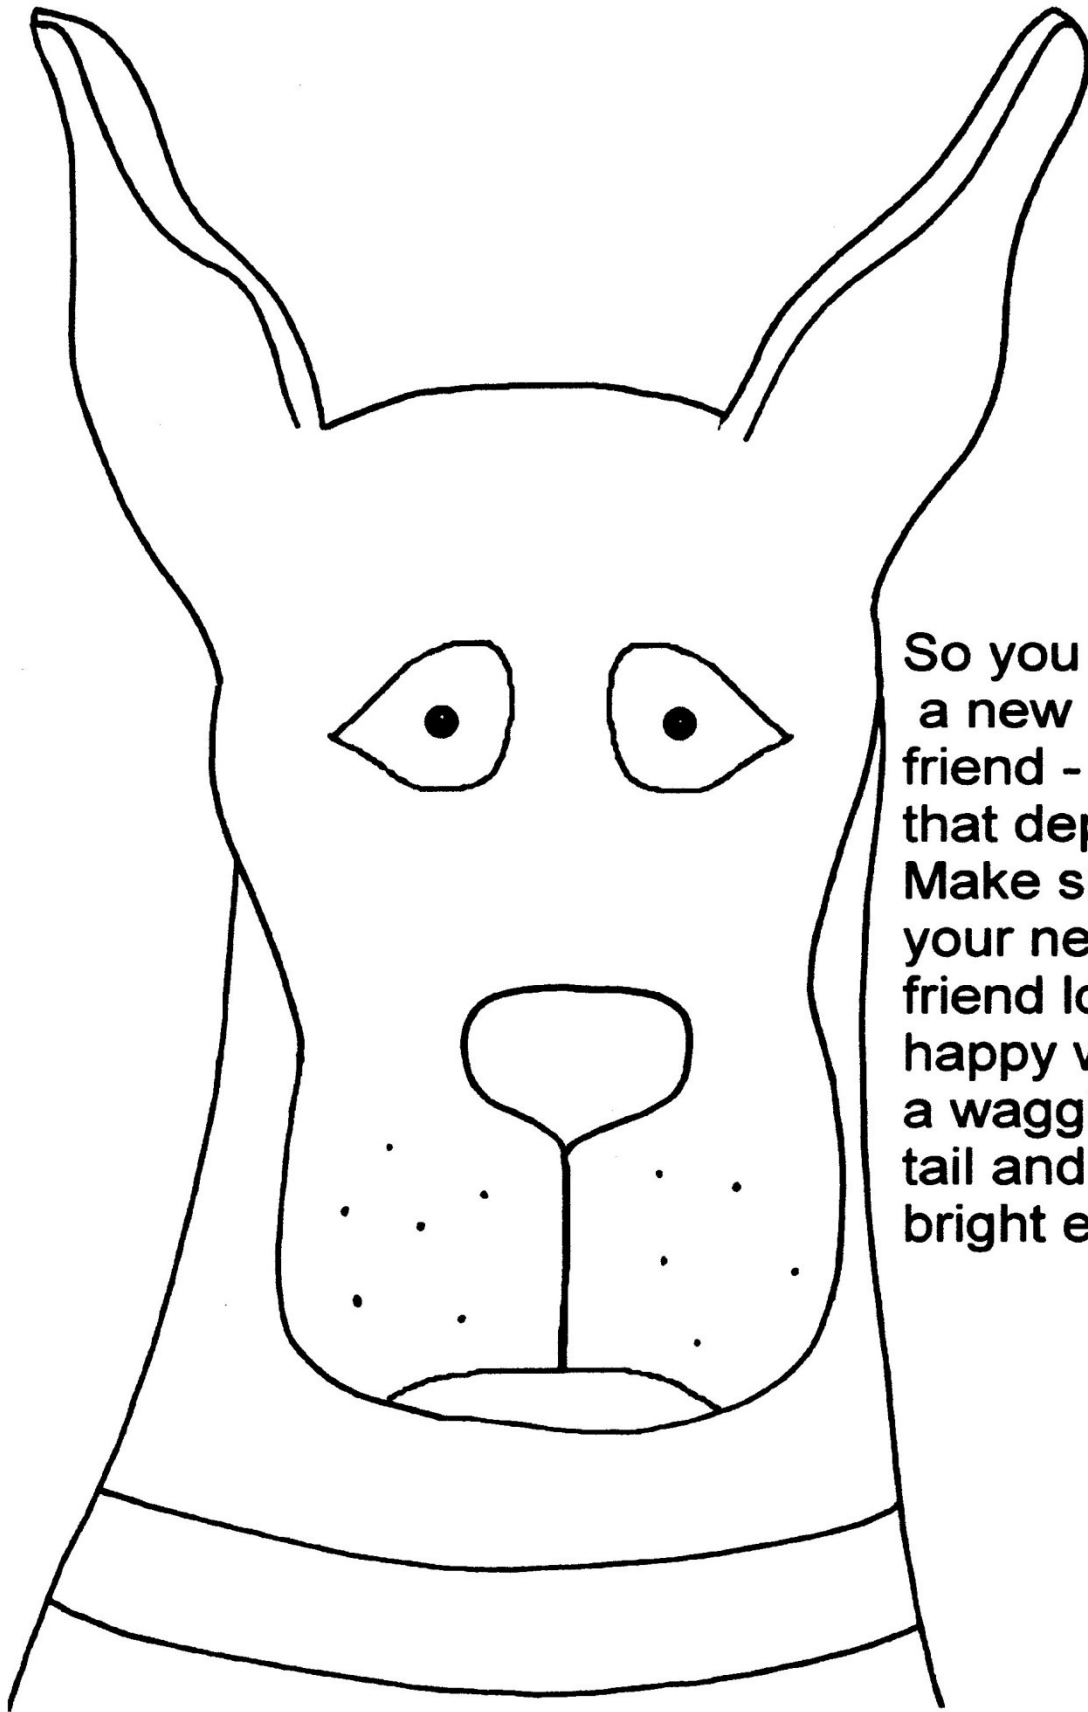

FIRST, ask the dog's owner and your mom or dad if it's ok.

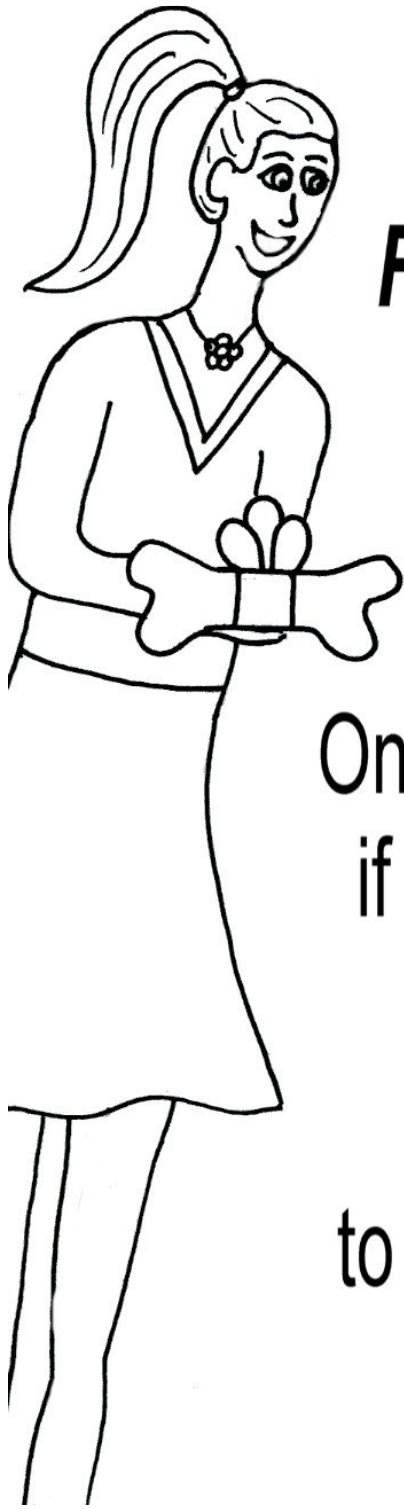

M

Z

K

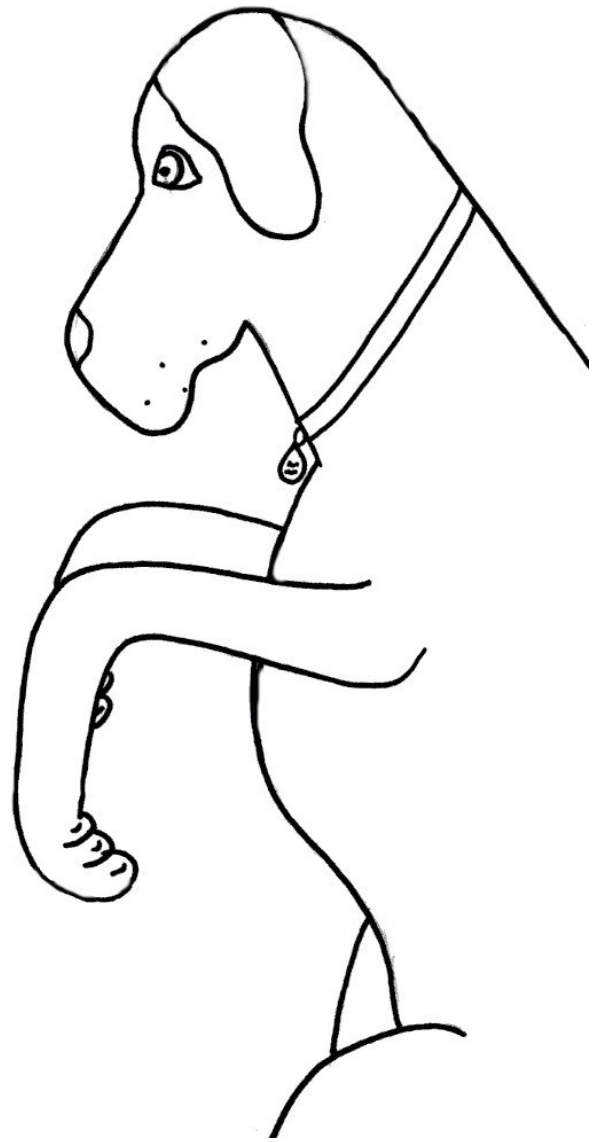

So you have
a new
friend - well,
that depends.
Make sure
your new
friend looks
happy with
a wagging
tail and
bright eyes.

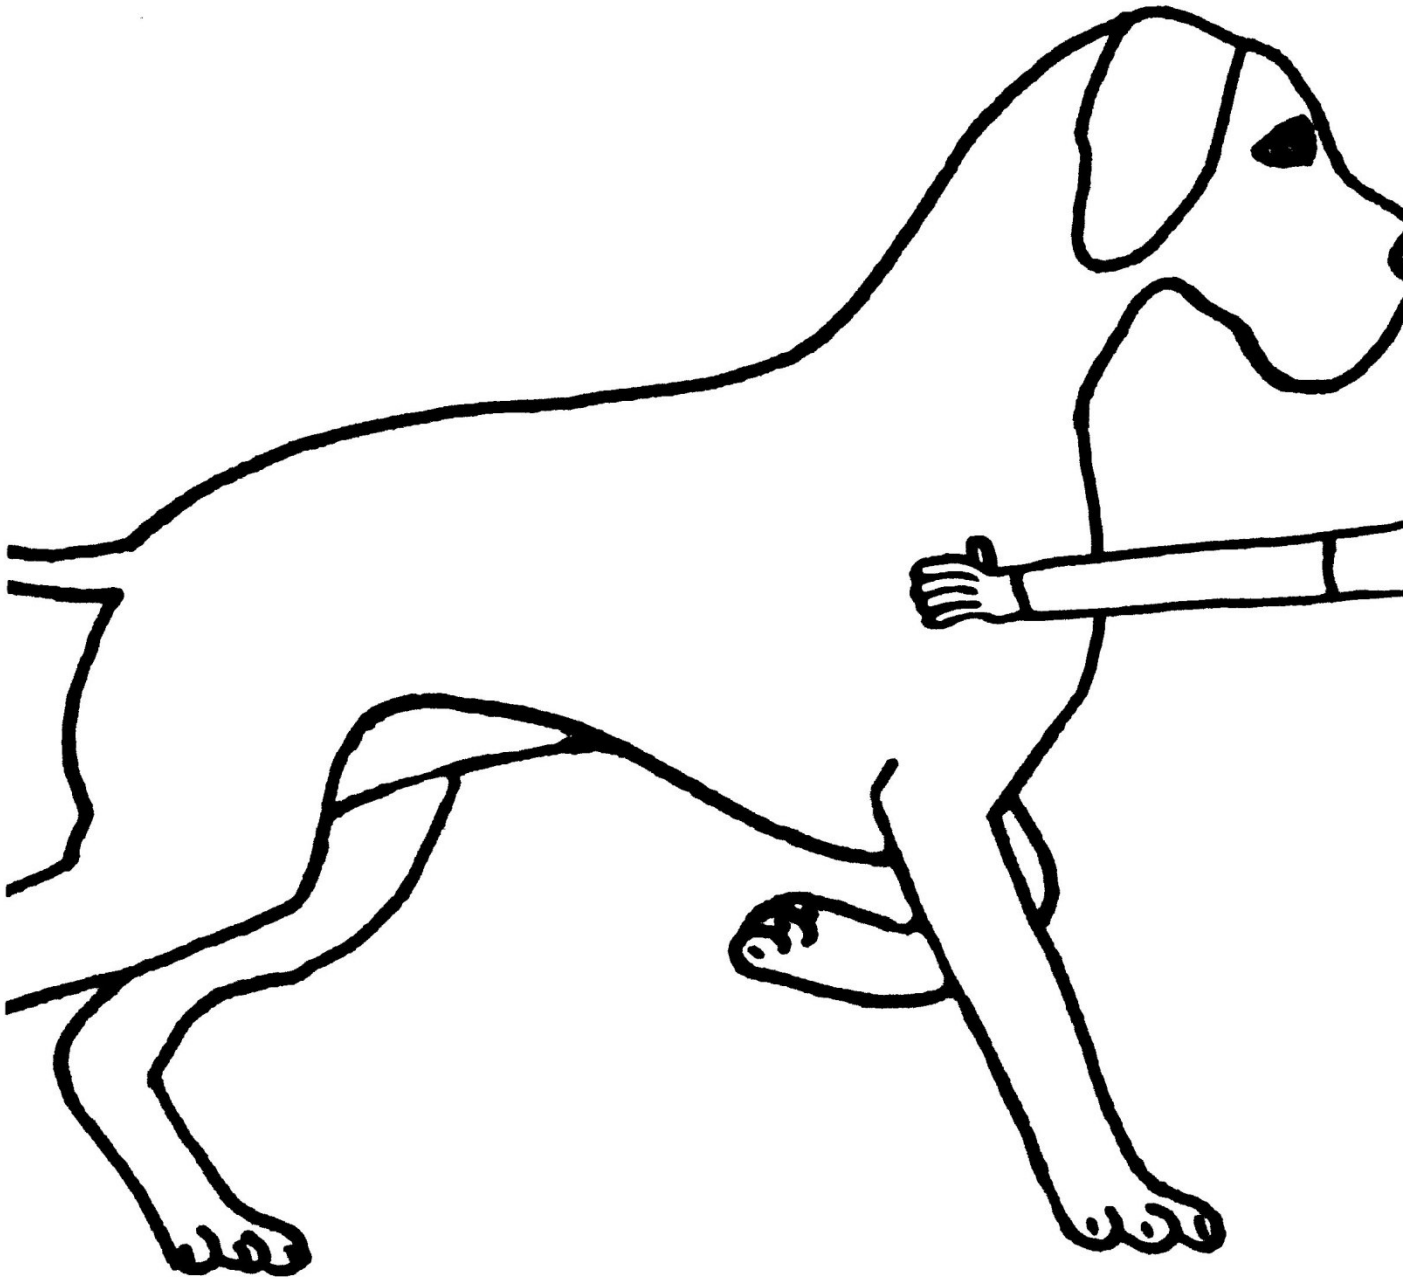

***Food is a treat
that dogs
love to eat.***

Only offer a treat
if it's okay with
the owner.
Ask how
to give the treat.

On the chest is best.

Pet the dog's chest gently.

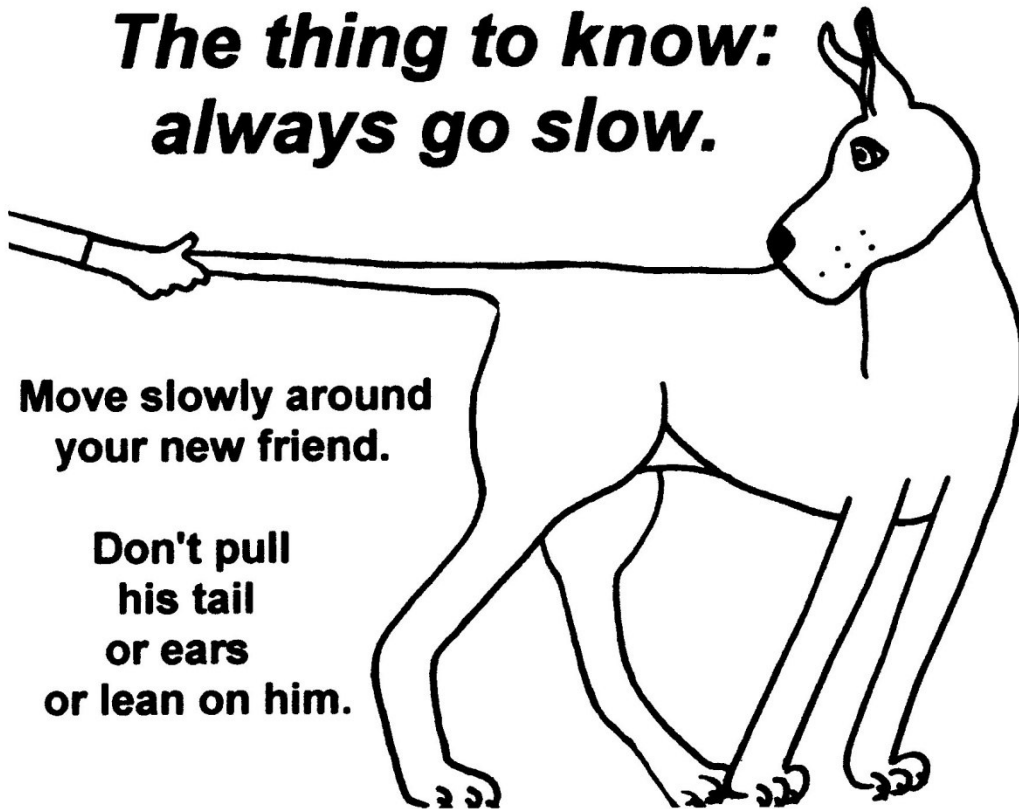

***Give
him
space;
don't
get in
his
face.***

Don't put your face close to the dog's or stare into his eyes.

***The thing to know:
always go slow.***

**Move slowly around
your new friend.**

**Don't pull
his tail
or ears
or lean on him.**

***Always be smart;
follow your heart.***

Be sensitive to your new friend's feelings.
If he moves away from you,
respect his need for "alone time".

***Every dog deserves good will;
being nice is a thrill!***

Treat dogs with love and kindness.
It makes you and the dog feel good.

Remember these rules if you see a dog you don't know!

Always ask before petting!

Pet on the chest!

Don't put your face into the dog's face!

Be kind!

Be gentle!
